❓ Questions ❓

⚠️ Read the questions carefully ⚠️

⚠️ Make sure to discuss all questions ⚠️

1️⃣ You need to download an image of your interest. Upon clicking on the image itself, it should trigger a download.

😄 Hint: use anchor tag and image tag

2️⃣ You need to download and zip three images along with one PDF document discussing HTML. Then, upon clicking on a text that says "click here to download," it should trigger the download.

📒 Note :

🏅 Ensure to assign suitable titles to both questions utilizing any header tag of your preference.

🏅 Ensure to provide some spacing when displaying both questions on the browser.
